Situated less than 1 mile from our Girls school on Romford Road, this property is based in a prime location for our expansion. MashaAllah the site will enable us to accommodate a 3-form school, with a capacity of 400+ pupils. Despite having a guide price of over £3.5 million, Newham College decided to sell to us at a significantly lower price due to our exemplary service in Education and willingness to continue to use the site for Education. We are thankful to Newham College for their genuine and kind consideration.

**Azhar Academy** is a charitable organisation founded in 1996 under the instruction and guidance of **Shaykh al-Hadith Hazrat Maulana Yusuf Motala (Rahmatullah Alayh)**. The purpose of our charity is to provide Islamic and educational services and other charitable activities.

Based in East London, the Academy currently owns 3 properties:

1. 235a Romford Road, E7, purchased in 2000 – Azhar Academy Girls School (AAGS) and Azhar Masjid
2. 228a Romford Road, E7, purchased in 2013 – Offices and Madrasah
3. 470 Leytonstone High Road, E11, purchased in 2011 – Azhar Academy Primary School (AAPS and Nursery)

Since the inception of the **Azhar Academy**, we have continued to grow exponentially with our charitable activities. Along with the full National Curriculum we also teach *Aalimah* studies and *Hifz of Quran Shareef* at AAGS and *Hifz* and Islamic studies at AAPS. We have a capacity of 280 at AAGS, where we can enrol a maximum 56 pupils per year, despite receiving over 120 applications for the spaces and a capacity of 200 pupils at AAPS.

Our newly refurbished *Masjid* has been designed and constructed with the capacity to accommodate and cater for 450 worshippers in total. Our primary aim is to serve the needs of the local Muslim community by providing them a facility for daily prayers, Islamic education and a variety of different Religious and educational services.
